Mein Kampf (La mia battaglia) `e il saggio pubblicato nel 1925 attraverso il quale Adolf Hitler espose il suo pensiero politico e deline`o il programma del partito nazista anticipando il tutto con un'autobiografia.

Una prima parte del testo venne dettata da Hitler all'amico di prigionia Rudolf Hess, ritenuto da molti il pi`u fedele fra i suoi seguaci, durante il periodo di reclusione nel carcere di Landsberg am Lech segu`ito al tentativo fallito del colpo di Stato di Monaco del 9 novembre 1923.

Mein Kampf `e stato studiato come un'opera di filosofia politica. Per esempio, Hitler rivela il suo odio per ci`o che riteneva fossero i due mali gemelli del mondo: comunismo ed ebraismo. Il nuovo territorio di cui la Germania aveva bisogno avrebbe realizzato nella giusta maniera il "destino storico" del popolo tedesco; tale obiettivo, a cui Hitler si riferiva parlando del Lebensraum (spazio vitale), spiega perch'e Hitler, con modi aggressivi, volle estendere la Germania ad est e, in particolar modo, invadere la Cecoslovacchia e la Polonia, prima ancora di lanciare il suo attacco contro la Russia. Nel libro Hitler sostiene apertamente che in futuro la Germania "dovr`a dipendere dalla conquista dei territori ad est a spese della Russia".

Nel corso dell'opera, Hitler evidenzia le sofferenze politiche del cancelliere tedesco nel parlamento della Repubblica di Weimar e inveisce contro gli ebrei e i socialdemocratici, cos`i come i marxisti. Annuncia di voler distruggere completamente il sistema parlamentare ritenendolo per lo pi`u corrotto, sulla base del principio secondo cui i detentori del potere sono opportunisti per natura.

## **1 everything unlimited**

This means having the freedom to choose, so that whatever the moment calls for we are able to find it - and be sure that it will work on whichever device we have close to hand. Everything means all types of entertainment. Unlimited means no restrictions and endless possibilities.

## **2 great value**

Great value means getting a lot for your money. People work hard for their money and we believe they should always get a good deal. By bringing all entertainment together into one product, we are able to provide a huge variety of titles for cheaper - and a service that is truly worth paying for.

## **3 making things easier**

Accessing your favorite entertainment should be effortless, so that there is nothing left to do but enjoy those special moments - whether it is gripping onto your chair or singing your heart out. We believe in one service that takes care of everything, provides for the whole family and removes the hassle of multiple passwords and payments.

## **4 enjoying life**

We believe entertainment is good for the soul, both alone and with friends. It makes us feel joy, sadness, excitement and laughter. It helps us relax and recharge. It is important that we feel free to spend our free time however we want, and feel no shame in kicking back and watching a movie or levelling up on our favorite game.

## **5 discovery**

New experiences and ideas should not only be accessible, but encouraged. Discovery is rewarding, allowing us to hit new highs and fall in love with things we never thought we would. We believe in all experiences and all perspectives. We want to cultivate curiosity, open-mindedness and a passion to explore.

## **6 the future**

We believe in the future. We should not be restrained by conventions in the present. We should have faith in the future and let innovation help us, inspire us, and make our lives easier. We believe in new technology and new devices which create a more intimate and seamless connection between people and their entertainment.
